- **Environment Education** – The Environment Education is a part of day to day lessons and activities taken up while teaching or a part of some special day. Our school encourages students to participate in plantation of saplings of fruit trees and other herbal plants. Our School discourages the use of foils and polythene or plastic bags are not allowed in the school campus. The students are encouraged to protect the environment by different activities such as :
 - ✓ **World Environmental day** - As a part of Environment Education, June 5th was celebrated as World Environment Day. Members of Nature Club cleaned the surroundings and planted saplings in the school campus.
 - ✓ **World Nature conservation Day** – As part of World Nature conservation Day, ‘ECO CLUB’ was formed. The teachers and the students of the club organized various activities and programs to increase awareness among students about importance of conserving natural resources and protecting the environment.
- **SPORTS ACHIEVEMENTS** :

Sports activities have helped the students to learn teamwork, leadership, patience and self – confidence. They are able to face their life challenges. As part of this, several activities are conducted by the following programme :

 - ✓ **Annual sports day** - Annual sports day of the school was organized every year in presence of chief Guest of the event. The day began with Marathon race followed by March past thereafter the exciting sporting events, including track and field, throw events, pit events and indoor games were conducted. The participants from four different houses took part in the events.
 - ✓ **Annual Day** - The event commenced with a formal inauguration ceremony, graced by distinguished guests, management and school officials and parents. The event not only celebrated the academic accomplishments of the students but also provided a platform for showcasing their artistic talents.
 - ✓ **International Yoga Day** – It was celebrated on 21st June. As a part of International Yoga Day the sports club conducted a mass yoga session. The students of class 6 to 8 onwards participated in the yoga day celebrations

- **INNOVATION :** As part of this the following programmed are arranged :
 - ✓ **Science Exhibition** was arranged on February 2024. The exhibition was a resounding success, providing a platform for students to showcase their scientific prowess and fostering a culture of curiosity and innovation. Students from various grades displayed a diverse array of innovative science projects, ranging from physics and chemistry experiments to biology investigations. The projects reflected creativity, scientific curiosity, and a deep understanding of scientific principles.
 - ✓ **Arts festival** was held on May 2024. Art experiences help students to develop their creativity and self – expression. It helps students stimulate their imaginations and cognitive skills. The students get an opportunity to showcase their creative talent in the field of art. The students participated in “KALA UTSHAB” arranged by Govt. get Prizes in Drawing & Drama category.
- **Overall Results –** The involvement of students, parents and teachers has increased and improved. The results of class X and XII of the school prove without any doubt that our students have made us proud. The result was 67% for class X as well as class XII. The students passed in flying colors.
- **PTA Activities -** In order to ensure balanced growth of a child, regular interaction of school and the parent is of utmost necessity. So, Parent – Teacher meetings are held on every month and after every examination, where the parents get a feedback about their child’s progress. PTA promotes the welfare of children in home, society and community.
- **SMC Decisions :** SMC meetings are held once a month. Some decisions that are taken up are as follows :-
 - ✓ Finalization of Books for the students.
 - ✓ Discussion of Result.
 - ✓ Bettering up Student’s performance
 - ✓ Planning the Academic Calendar.
 - ✓ Safety and security of Students and Staff.
 - ✓ Infrastructural Development.
